as managed by H2O Asset Management LLP, is undergoing the following change:

- **Use of index options traded on over-the-counter markets**

With a view to enhancing its investment opportunities, the Fund will now have the option of using index options traded on over-the-counter markets. By way of a reminder, the Fund may already trade options on over-the-counter markets for the following asset classes: equities, interest rates and currencies.

This change has no impact on the overall risk of the portfolio, nor on the other characteristics of the UCITS.

This change will take effect on 7 October 2019.
