*The unit class is not registered in Ireland.

managed by H2O Asset Management LLP, of the following changes:

1. Increase of the Fund's indicative average leverage level

The indicative average leverage level for the UCITS, which is currently 1, will rise to 6.

This not only aggregates the gross commitment generated by the long and short positions of financial contracts on the interest rate markets, but also that generated by the currency positions.

2. Change to the management objective of the M* unit

The management objective of the M* unit, which currently reads:

- to outperform the daily compounded EONIA over its minimum recommended investment period,

has been amended and will now read:

- to outperform the daily compounded EONIA by 1.3% per annum over its minimum recommended investment period.

**The unit class is not registered in Ireland.*

3. Creation of a new HGBP-I –(A) (C)* unit

The HGBP-I –(A) (C)* unit will have the following characteristics:

- ISIN code: FR0013424702
- Allocation of income: Accumulation
- Base currency: GBP
- Target subscribers: All subscribers, particularly institutional investors
- Minimum initial subscription: GBP 100,000
- No minimum subsequent subscription amount
- Original value: GBP 100
- Operating and management fees of up to 0.35% (including taxes) of net assets
- Benchmark index: 1-month GBP LIBOR.
- 25% performance fee (including taxes) of any outperformance of the benchmark index 1% p.a.
- Subscription fee payable to the Management Company: max. 1%
- No redemption fee
- Units are subdivided into ten-thousandths of a unit

**The unit class is not registered in Ireland.*

4. Creation of a new Q-EUR* unit class, reserved for employees of H2O AM Group companies

The Q-EUR* unit will have the following characteristics:

- Target subscribers: Employees of H2O AM Group companies
- ISIN code: FR0013425287
- Allocation of income: Accumulation
- Base currency: EUR
- Minimum initial subscription: One unit
- Minimum subsequent subscription: One unit
- Initial net asset value: EUR 20,000
- Operating and management fees of up to 0.10% (including taxes) of net assets
- Benchmark index: Daily compounded EONIA + 1.25%
- Performance fee: none
- Subscription fee payable to third parties: none
- Subscription fee payable to the Management Company: 10%
- Redemption fee: none
- Splitting: none

**The unit class is not registered in Ireland.*

These changes will have no impact on the other characteristics of the UCITS, which remain unchanged.

These various changes will take effect on 5 August 2019.
