1) Operating fees and fees for other services, ensuring that the prospectus complies with AMF instruction 2011-19

Following the AMF's update to instruction 2011-19, the prospectus has been changed to clarify the relevant fees.

In particular, external administrative charges have been clarified and renamed operating fees and fees for other services.

The notification procedure in the event that these fees rise above and below a threshold of 10 annual basis points (0.10%) has also been clarified.

2) Recommended investment period indicated in the prospectus and KIIDs of certain UCITS.

The recommended investment period stated in the prospectus and Key Information Investor Documents has been adjusted in line with the investment strategy of the relevant UCITS.
